News Release

ICI Pakistan Ltd. Holds Corporate Briefing at KSE

Karachi:

ICI Pakistan Limited held an informative corporate briefing for investors, analysts and the media at the Karachi Stock Exchange. Muhammad Abid Ganatra (Chief Financial Officer, ICI Pakistan Ltd.) gave a presentation to the packed auditorium, in which he detailed the Company's history, business operations, investments and future plans.

A Q&A session followed, and Mr. Ganatra expressed his gratitude to the KSE for introducing the corporate briefing programme. The initiative, he said, represents an excellent platform for open communication between organisations and the wider financial community.

Safe Harbor Statement

This press release may contain statements, which address such key issues as ICI Pakistan's growth strategy, future financial results, market positions, product development, products in the pipeline, and product approvals. Such statements should be carefully considered, and it should be understood that many factors could cause forecasted and actual results to differ from these statements. These factors include, but are not limited to, price fluctuations, currency fluctuations, developments in raw material and personnel costs, pensions, physical and environmental risks, legal issues, and legislative, fiscal, and other regulatory measures. Stated competitive positions are based on management estimates supported by information provided by specialized external agencies. For a more comprehensive discussion of the risk factors affecting our business please see our latest Annual Report, a copy of which can be found on the company's corporate website www.ici.com.pk
